

“Keep the Leads” Trial

Overview and Checklist

For qualified companies, EchoQuote™ offers a “keep the leads” free trial period. Our trial guarantees you will experience the full power of EchoQuote™ while you capture a minimum of 10 *real* business opportunities. Why waste your time and resources?

Our trial *guarantees* you will capture a minimum of 10 *real* leads no matter *how long* it takes.

That's right. Use EchoQuote™ free for a **minimum of 30 days AND until you capture 10 leads**. If you capture 10 leads the first day (this does happen) you may continue to use it for the full 30 days (you may end up with 100+ leads!). The best part is that the leads you capture during the free trial are yours to keep even if you don't go forward with EchoQuote™. Here are the trial details:

- No Setup Fee
- No Contract
- Full Functionality
- Keep your leads free

To qualify, your company should sell to other businesses (B2B) and provide high-end (expensive) products and/or services. Most EchoQuote™ clients sell products and/or services in excess of \$1,000 and have at least 20 employees. EchoQuote™ is not for consumer companies or those that "sell" online.

What we need to start

Simply [email our trial team](#) the following information to get started today:

- Your company's website address

That's it. We'll do the rest. Your administrator will receive a Welcome To EchoQuote™ email when the portal has been activated with instructions on how to proceed. Most installations can be fully operational in less than 4 hours. Activate today, start capturing better leads and selling more tomorrow. If you haven't gotten a quote for our service, why not get a [self-service quote](#) now?
